Hello, my name is Sherry Hill, and I am single parent of 3 kids. I have two girls and one boy. Their names are Asia Hill, 10 years old, Ciara Hill, 3 years old, and John Hill, 1 year old.

We are seeking assistance because, we are experiencing financial issues and Christmas won't be the best for my kids. I am currently working a temporary job that does not have much work. I am struggling to pay bills and maintain daily needs.

I would like to tell you all about my kids. I am going to start with my oldest Asia, who is very smart. She makes good grades, helps me out around the house, and she is a wonderful big sister. Her favorite color is red, and she loves watching movies.

Ciara is very outgoing and smart as well. She also loves to help everyone. She loves pink and reading is her favorite hobby. John is a very smart baby. He has had reflux colic, covid, constant congestion within the first year of his life. His favorite color is blue, and he loves watching Paw Patrol. Our family loves to shop at Walmart.

Putting a smile on my children faces is what I live for, so making Christmas happen for us will mean a lot. Anything you offer would be greatly appreciated. Thank you! God bless you all.

Sincerely,
The Hill Family
